**The 2020 Eastern Ohio Development Alliance (EODA) Excellence Award recipients were announced in early July, and two Muskingum County businesses were among those recognized.**

**Receiving the Large Business Excellence Award was Shelly & Sands, Inc**

This award seeks to recognize excellence for entrepreneurs promoting technology including employment growth or job creation, innovation programs involving employees and community projects, new technological expansion, community service encouragement and activities which have resulted in statewide, national or international attention for the region.

**Receiving the Small Business Excellence Award was Saunders Machine Works (SMW).**

This award seeks to recognize excellence in a given pursuit including business start up or growth, employment growth or job creation, innovative programs involving employees and community projects, new product or program development resulting in expansion and community service encouragement.

"We wanted to honor our eight outstanding recipients, but due to the Covid-19 situation, we had to ask our nominators to work with the local media," said **Mr. Jim Schoch, EODA's Executive Director**. "This will enable us to share the award presentations with our membership and they will be posted on our website. We felt this recognition was very important not only because of the postponement of the annual meeting but also because this is the 30th anniversary of EODA".
