

## It's Time for Our Local Wage and Benefit Survey!

The Zanesville-Muskingum Chamber of Commerce is partnering again with the Muskingum Growth Partnership, Zanesville-Muskingum Port Authority and the Muskingum Valley Human Resource Association to conduct our **2021 Wage & Benefit Survey**. The local Human Resources consulting firm of **JK Evans & Associates LLC** is facilitating the survey and will be compiling the data that is received into a comprehensive report. It will show not only the wages paid on various jobs within our labor market, but also the various benefits provided, economic trends, and other valuable information. This year we've also included some timely questions regarding the positive or negative impact of a \$15.00 per hour Federal minimum wage.

In exchange for your participation, we will provide to you free online access to the survey. We're confident that you will find it to be a comprehensive and valuable resource for gauging your own wage and benefit package as compared to other local employers.

**\*\*Participation in the survey is confidential so names of individuals and their respective organizations will not be published in the report.\*\***

### How to Access and Complete the Survey

- The survey is available to be completed online.
- Please use either Internet Explorer or Microsoft Edge to access the survey.
- The online questionnaire cannot be closed and then returned to, so please leave yourself time to complete it in **one** session.
- If you prefer to not complete the questionnaire online, contact JK Evans & Associates LLC, at (740) 588-0302 and request a paper copy of the form.

*The survey is now available to complete through  
**MARCH 3, 2021***
