

Water

Water at National Road is provided via the Muskingum County Water Department. In order to tap a water line for a service line connection, a business must contact the water department. Taps and meters are subject to fees and annual fire protection fees. Water taps and meters can be obtained through the Muskingum County Utilities Department, located at 375 Richards Road, Zanesville, Ohio, 43701. You will need to submit an application and then pay the tap fee and have the tap and meter pit inspected.

Tap Fees are as follows:

<u>Tap Size</u>	<u>Cost</u>
1"	\$1,500 plus material and labor
2"	\$2,000 plus material and labor
3"	\$3,000 plus material and labor

Each additional inch in line tap sizes costs an additional \$1,000 plus material and labor.

Water Rates are based on the meter size and volume of water consumption. Commercial and industrial rates follows:

Based on a 2" meter:

Minimum charge: \$364.50 per month plus:

First 55,000 gallons per month, the rate is \$6.6300 Per 1,000 gallons
Next 45,000 gallons per month, the rate is \$6.3860 Per 1,000 gallons
Next 300,000 gallons per month, the rate is \$5.1460 Per 1,000 gallons
Next 400,000 gallons per month, the rate is \$3.5670 Per 1,000 gallons

Based on a 3" meter:

Minimum charge: \$647.00 per month plus:

First 100,000 gallons per month, the rate is \$6.4700 Per 1,000 gallons
Next 200,000 gallons per month, the rate is \$5.1460 Per 1,000 gallons
Next 400,000 gallons per month, the rate is \$3.4570 Per 1,000 gallons
