Welcome!

The Zanesville-Muskingum County Port Authority is a partner with the Muskingum County Commissioners and the City of Zanesville. These partnerships are integral in the execution of our community's economic development success.

The Port Authority's Board of Directors represent a broad mix of business expertise and civic leadership, and volunteer their time as an investment in our County's future.

About Us #SuccessLivesHere

Partnerships | Zanesville-Muskingum County Port Authority (zmcport.com)

The Zanesville-Muskingum County Port Authority (ZMCPA) is the economic development leader in Muskingum County. This has been and continues to be made possible by the continued support and investments of the City of Zanesville and the Muskingum County Commissioners.

Since 1987, these leaders have placed a value on a sustainable economic development office and for that reason, our City and County are better places to live, work and raise a family.

The ZMCPA's mission is to promote economic development in the City of Zanesville and Muskingum County by facilitating retention and expansion of existing business and industry, the attraction of new business and industry, and working to create a business environment to support economic growth.

We are proud to partner with local, regional and state organizations to make the greatest impact for our community. Some of these include the Zanesville Muskingum County Chamber of Commerce, Ohio Means Jobs - Muskingum County, Ohio Southeast, and JobsOhio.

Contact our office to set up a site visit and learn more about what Zanesville and Muskingum County can offer your company. We're excited to show you all of the ways that #SuccessLivesHere!

Higher Education

Education | Zanesville-Muskingum County Port Authority (zmcport.com)

Muskingum University

Muskingum University is a liberal arts and sciences college with 1,900 undergraduate and graduate students from 22 states and 13 countries. Forty-four academic majors are offered, including 13 interdisciplinary majors, and nine pre-professional programs are offered.

Muskingum is a member of the NCAA, Division III and programs include nine men's and 8 women's sports. Learn more at www.muskingum.edu.

Zane State College has one of the highest graduation rates for two-year colleges in the nation, and has been recognized as one of the Top 30 Community Colleges in the nation.

Zane State College offers 33 academic programs and 21 Occupational Skills Programs. Programs are designed to offer experience-based learning. Approximately, 3,600 students attend Zane State College. While smaller than urban counter parts, Zane State's enrollment in engineering technology programs is comparable to program enrollment at much larger community colleges. Learn more at www.zanestate.edu.

Zane State College - S.T.E.M. Center

Ohio University Zanesville provides the education of a major research university, while maintaining the individualized attention of a small, liberal arts college.

The Zanesville campus serves commuter students who seek associate and bachelor's degrees. Ohio University Zanesville provides a high quality educational experience complete with academic advising, tutoring, and specialized testing services. Our facilities feature wireless internet access, a cafeteria, a coffee café, bookstore, a library with vast electronic databases and resources, a fitness center and the Collegial Woods walking trails. Learn more at www.ohio.edu/zanesville.
